

ORec Summer 2020 Sports/COVID changes

*******Please be certain to read and adhere to the following*******

1. **Schedule.** We will be starting baseball/softball/Tball games starting June 26 and run through last week of July. We will try to schedule at least 8 games. If you have decided that you are not comfortable with your child playing or do not want to partake and have already registered, PLEASE let us know immediately so we can process your refund.
2. **UNIFORMS.** We will going with a ballcap, shirt and athletic mask for ALL leagues. We have to keep this as simple and smooth as possible and do not see a fitting/sizing for the 9-10 yr old baseball/softball players would be practical from a “no contact, social distancing“ standpoint. The uniform cost will be the same as originally stated on T-ball, coach Pitch, and modified kid pitch registrations. However, the 9-10 baseball/softball uniform cost was originally a bit more. Therefore, anybody who already registered for 9-10 baseball/softball prior to the COVID postponement and wishes to still play will receive a refund for the difference of the uniform cost.
3. **Team selection/Coach meeting.** Please CALL IMMEDIATELY 419-698-7147 if you want to coach. We need to fill these roles ASAP. For this season the ORec staff will be forming teams. Each head coach and ONE assistant coach will get to have their children on their team. ALL OTHER players will be assigned by the ORec staff. After teams are formed, we will either have a virtual meeting with coaches or post an informative video to reiterate what is expected of them for the season.
4. Go to oregonohio.org/rec under “forms” and print out the **Ohio Department of Health Responsible Restart protocol**. We will be STRICTLY adhering to the MANDATORY guidelines. No exceptions. We will have staff on hand to monitor at games/practices to make sure these rules are followed.
